HOW TO BUILD A ARCHIVE

A band of musicians is performing on stage. In the foreground, a man on the left plays a large snare drum, while another man to his right plays a brass instrument, possibly a tuba or sousaphone. Behind them, a third man plays a saxophone, and a fourth man is partially visible, also playing a brass instrument. The background features a large projection screen displaying a blue-toned architectural illustration of a classical building with columns and a pediment. Overlaid on this image is the text "HOW TO BUILD A ARCHIVE".
